We're all a bunch of brothers livin' in a cool way  
Along with six million others in this place called L.A.

L.A.'s the place, sets my mind ablaze  
For me, it's a race through a cotton pickin' maze

The town makes me jump, it's got a bunch of bad  
chicks  
Well sure, it's got some chumps but I still get my kicks  
My body loves to scrump when I lick the ripe pick  
Like a come on a thumb  
Poppin' hump, hump, hump, pop out

The action never stops, I'm as wild as can be  
'Cos I'm shooting for the top and my best friend's Flea  
Oom Chucka Willy knew that balls could pop  
But he never met the Tree so he never be-bopped out  
hop!

Antoine the Swan, from the pretty fish pond  
Was a bad mother jumper, you could tell he was strong  
He wore a cold paisley jacket and a hellified ass  
And between his legs was a cock suckin' lass

He threw a hundred women up against the wall  
And he swore to fear that he'd fuck 'em all

By the time he got to ninety nine, he had to stop  
Because that's when he thought that he heard a FOP!

Last night and the night before, I heard a  
Fop outside, then I came in doors  
Rock out!

Now that I told you a little something about the Flea  
A little something about the Tree, a little something  
about me  
I can't leave you hangin' but my man Sherm zee, he  
swings the yang, he bangs the  
Yang  
And now, it's time to hear him do his thang, you better  
be burning Sherman!

We're all a bunch of brothers livin' in a cool way  
Along with six million others in this place called L.A.

Step out!
