Artist: Red Hot Chili Peppers

Title: Parallel Universe

Album: californication

Par Annabe||e

Deep inside of a parallel universe  
It's getting harder and harder  
To tell what came first  
Under water where thoughts can breathe Easily  
Far away you were made in a sea  
Just like me

Chorus:  
Christ I'm a sidwinder I'm a  
California King  
I swear it's everywhere  
It's everything

Staring straight up into the sky  
Oh my my a solar system that fits  
In your eye Microcosm

You could die but your never dead spider web  
Take a look at the stars in  
Your head fields of space kid

Chorus x 2

Psychic changes are born in your heart Entertain  
A nervous breakthrough that makes us the same  
Bless your heart girl

Kill the pressure it's raining on  
Salty Cheeks  
When you hear the beloved song I am with you Chorus  
x 2
