Well, my landlady, she lives three houses away
And she claims that she can hear my baby screaming
to me
"Fuck me, Anthony. Anthony"

I want to party on your pussy, baby
I want to party, party on your pussy
I want to party on your pussy, baby
I want to party, party on your pussy

Struck by lust in a telephone booth
Busted by a cop; he said, "That's uncouth"
Well, he said that he can hear my baby screaming to
me
"Fuck me, Anthony. Anthony"

I want to party on your pussy, baby
I want to party, party on your pussy
I want to party on your pussy, baby
I want to party, party on your pussy

I want to party on your pussy, baby

I want to party on your pussy
I want to party on your pussy, baby
I want to party on your pussy

I want to party on your pussy, baby
I want to party on your pussy
I want to party on your pussy, baby
I want to party on your pussy

Let me shine your diamond
The girl got a scratch
Slap that cat
Have mercy

I want to party on your pussy, baby
I want to party, party on your pussy
I want to part on your pussy, baby
I want to party on your pussy
