

Red Hot Chili Peppers "Punk Rock Classic"

Visit "[Punk Rock Classic](#)" on MotoLyrics.com

I'm a radio joe of the biz called show
I'm a rockin' pop star with a get up and go
Rubbing elbows with the big wigs at my sold out shows
I've been on every cover, even Rolling Stone

Put us on MTV
All we really need
Begging on our knees
Please, please, please, please, please

Conforming to the norm, straight out of the mold
Compromising each and every ounce of soul
I'm a doin' anything for the records of gold
I only want what I can hold

Put us on MTV
All we really need
Begging on our knees
Please, please, please, please, please

We know that we'll never be better than
Mister Slick Superstar, David Letterman
I promise, we'll be perfect gentlemen
Just put us on the show, you'll regret us then

Put us on MTV
All we really need
Begging on our knees
Please, please, please, please, please

Thank you very much, be sure to label us
We wouldn't want to cause a ruckus or a fuss
Just put us in the category of [Incomprehensible]
AOR, CHR, Top Forty or bust

Put us on MTV
All we really need
Begging on our knees
Please, please, please, please, please

[Incomprehensible]

What I am is a picture on the TV screen
Don't make waves, don't make a scene
What I say when I play isn't worth a bean
I'm a video joe in [Incomprehensible]

Put us on MTV
All we really need
Begging on our knees
Please, please, please, please, please
