Dusting off your savior
Well you were always my favorite
Always my man, all in a hand
To celebrate you is greater
Now that I can, always my man

Now you see what I came for
No one here is to blame for
Misunderstand, all in a hand
Just like you 'cause you made me
All that I am, all in a hand

A butterfly that flaps it's wings affecting almost
everything
The more I hear the orchestra, the more I have
something to bring
And now I see you in a beautiful and different light
He's just a man and any damage done will be alright
Call out my name, call and I came

Dusting off your savior
Forgiving any behavior
He's just a man, all in a hand
Your hero's destined to waver
Anyone can, always my man

I would never betray you
Look at me who could raise you
Face in the sand, safe in your hand
You were always my favorite
Always my man, all in a hand

We are the Red Hots and we're loving up the love me
nots
The flowers in your flower pots are dancing on the
table tops
And now I see you in a beautiful and different light
He's just a man and everything he does will be all right
Call out my name, call and I came

Dusting off your savior

The life that you have narrated
You were my man
