Road trippin with my two favorite allies
Fully loaded we got snacks and supplies
Its time to leave this town
Its time to steal away
Lets go get lost
Anywhere in the U.S.A.

Lets go get lost
Lets go get lost

Blue you sit so pretty
West of the one
Sparkles light with yellow icing
Just a mirror for the sun
Just a mirror for the sun
Just a mirror for the sun

These Smiling eyes are just a mirror for

So much as come before those battles lost and
won
This life is shining more forever in the sun
Now let us check our heads
And let us check the surf
Staying high and drys
More trouble than its worth
In the sun

Just a mirror for the sun
Just a mirror for the sun
Just a mirror for the sun

These Smiling eyes are just a mirror for

In Big Sur we take some time to linger on
We three hunky dorys got our snakefinger on
Now let us drink the stars
Its time to steal away
Lets go get lost
Right here in the U.S.A

These smiling eyes are just a mirror for
These smiling eyes are just a mirror for Your smiling
eyes are just a mirror for
