### "Rollercoaster"

There's my favorite rollercoaster  
Next to the blue water  
The one only sissies ride  
There's the sun  
Going down  
Creating that florescent glow  
Reminding me i'll never be able  
To relive this day  
Except in memory

There's those big barking fish  
In the concrete stream  
Growling for dog food  
Bulging dead eyes that gleam  
But where's dad  
And where is mom  
Looks like from here on out  
It's just me and you  
Looks like from here on out  
It's just me and you
