Dusting off your savior  
You were always my favorite  
Always my man  
All in a hand  
To celebrate you is greater  
Now that I can  
Always my man

Now you see what I came for  
No one here is to blame for  
Misunderstand  
All in a hand  
Just like you cause you make me  
All that I am  
All in a hand

A butterfly that flaps it's wings  
Affecting almost everything  
The more I hear the orchestra  
The more I have something to bring  
And now I see you in a beautiful and different light  
He's just a man and any damage done will be all right  
Call out my name  
Call and I came

Dusting off your savior  
Forgiving any behavior  
He's just a man  
All in a hand  
Your hero's destined to waver  
Anyone can  
Always my man

I would never betray you  
Look at me who could raise you  
Face in the sand  
Safe in your hand  
You were always my favorite  
Always my man  
All in a hand

We are the red hots

And we're loving lots the love me nots  
The flowers in your flower pot  
Are dancing on the table tops  
And now I see you in a beautiful and different light  
He's just a man and everything he does will be all right  
Call out my name  
Call and I came

Dusting off your savior  
The life that you have narrated  
You were my man
