Well I'm a street walking cheetah with a heart full of
napalm

Well I'm a runaway son of the nuclear A-bomb
I am a world's forgotten boy
The one who searches and destroys

Somebody gotta help me please
Somebody better save my soul
Baby no way for me

Look out honey, 'cause I'm using technology
Well ain't got time to make no apology
Soul radiation in the dead of night
Love in the middle of a fire fight

Honey gotta strike me blind
Somebody better save my soul
Baby penetrate my mind

I'm the world's forgotten boy
The one who's searchin', searchin' to destroy
Honey I'm the world's forgotten boy
The one who's searchin' only to destroy

Look out honey, 'cause I'm using technology
Well ain't got time to make no apology
Soul radiation in the dead of night
Love in the middle of a fire fight

Honey gotta strike me blind
Somebody better save my soul
Baby penetrate my mind

I'm the world's forgotten boy
The one who's searchin', searchin' to destroy
Honey I'm the world's forgotten boy
The one who's searchin', searchin' to destroy

Forgotten boy, forgotten boy
Forgotten boy, forgotten boy
Yeah yeah yeah yeah

Forgotten boy, forgotten boy
Forgotten boy, forgotten boy
Forgotten boy, forgotten boy
