You give me many things  
lately your all i need  
you smiled at and said

Dont get me wrong I love you  
but does that mean i have to meet your father  
when we're older you'll understand what i mean't when  
i said no  
I don't think life is quite that simple

When you walk away  
you don't hear me say please  
Ohh baby don't go  
and simple and clean is the that your making me feel  
tonight  
its hard to let it go

Hold me  
whatever lies beyond thin morning  
is a little later on  
regraudless of warnings the future dosent scare me at  
all  
nothings like before
