Waking up dead inside of my head  
Will never never do there is no med  
No medicine to take

I've had a chance to be insane  
Asylum from the falling rain  
I've had a chance to break

It's so bad it's got to be good  
Mysterious girl misunderstood  
Dressed like a wedding cake

Any other day and I might play  
A funeral march for Bonnie Brae  
Why try and run away

Slow cheetah come  
Before my forest  
Looks like it's on today

Slow cheetah come  
It's so euphoric  
No matter what they say

I know a girl  
She worked in a store  
She knew not what  
Her life was for  
She barley knew her name  
They tried to tell her  
She would never be  
As happy as the girl  
In the magazine  
She bought it with her pay

Everyone has  
So much to say  
They talk talk talk  
Their lives away  
Don't even hesitate

Walking on down

To the burial ground  
It's a very old dance  
With a merry old sound  
Look like it's on today

Slow cheetah come  
Before my forest  
Looks like it's on today

Slow cheetah come  
It's so euphoric  
No matter what they say

Slow cheetah come  
Before my forest  
Looks like it's on today

Slow cheetah come  
It's so euphoric  
No matter what they say
