Come to decide that the things that I tried
Were in my life just to get high on

When I sit alone
Come get a little known
But I need more than myself this time

Step from the road to the sea to the sky
And I do believe that we rely on

When I lay it on
Come get to play it on
All my life to sacrifice

Hey oh listen what I say oh
I got your
Hey oh now listen what I say oh

When will I know that I really can't go
To the well once more time to decide on

When it's killing me
When will I really see
All that I need to look inside

Come to believe that I better not leave
Before I get my chance to ride

When it's killing me
What do I really need
All that I need to look inside

Hey oh listen what I say oh
Come back and hey oh
Hey oh look at what I say oh

The more I see the less I know
The more I like to let it go... hey oh

Woah oh

Deep beneath the cover of another perfect wonder

Where it's so white as snow

Privately divided by a world so undecided
And there's no where to go

In between the cover of another perfect wonder
Where it's so white as snow

Running through a field where all my tracks will
Be concealed and there's no where to go

When to descend to amend for a friend
All the channels that have broken down

Now you bring it up
I'm gonna ring it up
Just to hear you sing it out

Step from the road to the sea to the sky
And I do believe what we rely on

When I lay it on
Come get to play it on
All my life to sacrifice

Hey oh listen what I say oh
I got your
Hey oh listen what I say oh

The more I see the less I know
The more I like to let it go... hey oh

Woah oh

Deep beneath the cover of another perfect wonder
Where it's so white as snow

Privately divided by a world so undecided
And there's no where to go

In between the cover of another perfect wonder
Where it's so white as snow

Running through a field where all my tracks will
Be concealed and there's no where to go

I said hey
Hey yeah
Oh yeah

Tell my love now

Hey
Hey yeah
Oh yeah

Tell my love now

Deep beneath the cover of another perfect wonder
Where it's so white as snow

Privately divided by a world so undecided
And there's no where to go

In between the cover of another perfect wonder
Where it's so white as snow

Running through a field where all my tracks will
Be concealed and there's no where to go

I said hey
Oh yeah
Oh yeah

Tell my love now

Hey
Yeah yeah
Oh yeah
