Next stop on the KLM
Two lips and a sturdy stem
A funny thing always happens when
I get a heavy jam
Iâ€™m gonna turn it into hydrogen
I I, I I, I I, I I I I, I
Cowgirl and a troubadour
MGM and the lionâ€™s roar
A straight shot to the corner store
I wanna show you what
I wanna show you what your head is for
I I, I I, I I, I I I I, I
So much I, wish I could
So many I, wish I would
So much I, wish I could
Count on you not to deplete me
So much I, wish I could
So many I, wish I would
So much I, wish I could
Count on you not to defeat me

Please donâ€™t turn away again
Please donâ€™t turn me into them
Please donâ€™t turn away a friend
Please donâ€™t turn me into them

Stand by for the great eclipse

Rip it out now shake your hips
Backing off the apocalypse
I gotta loosen up
I gotta loosen up to get my grip
I I, I I, I I, I I I I, I
So much I, wish I could
So many I, wish I would
So much I, wish I could
Count on you not to complete me
So much I, wish I could
So many I, wish I would
So much I, wish I could
Count on you not to defeat me

Please don't turn away again
Please don't turn me into them
Please don't turn away a friend
Please don't turn me into them

Whacha wanna do about it

Please don't turn away again
Please don't turn me into them
Please don't turn away a friend
Please don't turn me into them

Whacha gonna get it now
