Welcome friends to my thoughts of when
The fax city 4 were four young men
Time has come and now we jam
With the uplift mofo party plan
We're the organic anti-beat box band

One comes from the holy land
Another was born an Australian
Me I'm from Michigan
But Hollywood is the land of lands
The Hollywood jam

We represent the Hollywood kids
Hollywood is where we live
We represent the Hollywood kids
Organic anti-beat box band

Life is grand in the land of lands
The mind does boggle the mind expands
The anarchy 4 have manned their craft
Get on your knees and shake your ass
To the jam that is, that's right

We don't ask we demand
That you and your clan
Listen now to this jam
To the power of the drummer's bad
It's a Hollywood jam, let's rock

We represent the Hollywood kids
Hollywood is where we live
We represent the Hollywood kids
Organic anti-beat box band

There's a party in my town at 12 o'clock
There's a party that's rockin' down to the rock
I've got nothin' against hip hop
But there's a party in my town
And no beat box jam that is

The party's got girls and the girls got hot
The party's got boys and the boys got socks

Something popped the doors unlocked
House got up ran around the block
Sit down house, take off your blouse

We represent the Hollywood kids
Hollywood is where we live
Any good friend of the lollipop kids
Over the rainbow with the wiz
We represent the Hollywood kids
Organic anti-beat box band

With the organic anti-beat box band
You just might slam dance that is
It's a Hollywood jam

With the organic anti-beat box band
You just might slam dance that is
It's a Hollywood jam

With the organic anti-beat box band
You just might slam dance that is
It's a Hollywood jam
