This is the place where all the junkies go,  
where time gets fast, but everything is slow.  
Can i get some vaseline, step into a modern scene,  
take a chance, on every seem to be the making of a  
dream  
i dont wanna do it like my daddy did, i don't wanna  
give it to my baby's kid,

This is My calling  
my sense is dulling  
shocking appaling  
all i can do to you  
hammers are falling  
my sense is dulling  
shocking appaling  
all i can do to you

wooo

This is the place where all the devils plead,  
their case to take from you what they neeeeeeeeeed.  
Can i isolate yer gene,  
can i i kiss yer dopamine,  
in a way i wunder if she's living in a magazine,  
I don't want to say it if it isnt so,  
i dont want to weigh it but ive gotta know,

This is My calling  
my sense is dulling  
shocking appaling  
all i can do to you  
hammers are falling  
my sense is dulling  
shocking appaling  
all i can do to you

oh oh oh oh ohohohohoooh (2x)  
wooo

I saw you out there yesterday,  
what did you wanna say,

a perfect piece of DNA  
caught in a flashing ray  
I caught you out there in the fray,  
what did you wanna say,  
a masterpiece of DNA  
caught in a flashing ray,

Can i smell your Gasoline  
Can I pet your wolverine  
on the day my best friend died  
i couldnt get my copper clean.  
i don't wanna take it up with little Jo  
i dont want to fake it but ive gotta know,

This is My calling  
my sense is dulling  
shocking appaling  
all i can do to you  
hammers are falling  
my sense is dulling  
shocking appalin
