I was walking through a courtyard  
Without Shoes & without Regard  
Automatic Catacomb  
Take me where I wanna go

All Around, All in phases  
It astounds & amazes  
Built to last & known to roam  
Touch me I'm a Chromosome

One Time  
Fascinated by the face of Time  
One Time  
I got it to give but now I'm gonna make some time

Ultra fine & altruistic  
Can't I spy into the mystic  
System's down for Infiltration  
Open mind free of frustration

I was Driving to a safe place  
And arriving as I retrace  
Yelling through a telescope  
Aimed it at the Star of Hope

What Time  
Fascinated by the face of Time  
What Time  
I got it to give but now I'm gonna make some time

All over the Yonder  
The smell of blood & thunder I'm  
Connected by the lightening rod

Giving the beauty to it  
Heaven knows how well I know you

Ultra fine & altruistic  
Can't I spy into the mystic  
System's down for Infiltration  
Open mind free of frustration

All Around, All in phases  
It astounds & amazes  
Built to last & known to roam  
Touch me I'm a Chromosome

What Time  
Fascinated by the face of Time  
What Time  
I got it to give but now I'm gonna make some time

All over the Yonder  
The smell of blood & thunder , I'm  
Connected by the lightening rod  
Giving the beauty to it  
Heaven knows how well I know you

Time, Time, Time, Time, Time, Time
