Because I'm happy to be sad  
I want it all I want it bad  
Ohoh-It's what I know

A vintage year for pop I hear  
The middle of the end is near  
Ohoh-It's what I know

Tourtture me and torture me  
It's forcin' me so torture me  
Torture me with sorcery  
It's forcin' me so torture

All the leaves are turning brown  
The wind is pushing me around  
Let's go-it's what I know

Tourtture me and torture me  
It's forcin' me so torture me  
Torture me with sorcery  
It's forcin' me so torture

The will of God is standing still

Brazilian children get their fill  
Let's go...

Let's turn it up and dumb it down  
The vision of your ultra sound  
It's so...

All the leaves are turning brown  
The wind is pushing me around  
Let's go

A vintage year for pop I hear  
The middle of the end is near  
It's so...

Tourtture me and torture me  
It's forcin' me so torture me  
Torture me with sorcery

It's forcin' me so torture

Tourtire me and torture me

It's forcin' me so torture me

Torture me with sorcery

It's forcin' me so torture
