You are my god you are my dog  
You kept me close love never lost  
I called you hippie you said Fuck off  
Said your brother's a real punk rocker

Refrain:

Something gonna happen  
Something very soon  
Transcending flesh could be a breeze  
Sending me oh over the Moon

Friends near death you gave respect  
Sympathetic Intellect  
Choices are, for one and all  
All we are is, leaves that fall  
That's all

Always be lovin' you  
Now I'm away from you  
Always be lovin' you

Round and round inside your head  
Smartest fucker I ever met  
Vicious fish bit at your toes  
Made you lie and numb your soul

Refrain

Mule donkey ass you bore the load  
Of all creation's tortured souls  
Choices are for one and all  
All we are is, leaves that fall

(Repeat 5 times)  
?I like the way?  
I love you you're my brother

Water flowing and I will drinking  
I will drink for you  
A part of me left it

Only you knew  
We'll never be understood  
We'll never be understood

Hey gone to stay  
Entire lifetime flash before me  
In a loving stream  
Hey mother may I have lost a child  
But she gave birth  
To a loving stream

Ooh, never know  
When the gods will come and  
Take you  
To a loving stream  
Ooh, Heart of gold  
The most special things you gave me were  
From your loving stream

In a loving stream

Fuck the magazines  
Fuck the green machine  
See the human being  
In a loving stream

Fuck the legal greed  
Fuck the nothing scene  
See the family  
In a loving stream

(song for River Phoenix)
