

Red Hot Chili Peppers "Transcending"

Visit "[Transcending](#)" on MotoLyrics.com

You are my god, you are my dog,
You kept me close, love never lost,
I called you hippie, you said fuck off,
Said you brothers a real punk rocker.

Refrain:

Somthings gonna happen,
Something very soon,
Transcending flesh could be a breeze
Sending me over the moon.

Friends near death, you gave respect,
Sympathetic intellect,
Choices are, for one and all,
All we are is, leaves that fall.

That's all.

Always be loving you, now im away from you,
Always be loving you.

Round and round inside your head,
Smartest fucker i ever met,
Vicious fish bit at your toes,
Made you lie and numb your soul.

Refrain:

Somthings gonna happen,
Something very soon,
Transcending flesh could be a breeze
Sending me over the moon.

Mule donkey ass you bore a load
Of all creations tortured souls
Choices are, for one and all,
All we are is, leaves that fall.

Like no other, i love you your my brother.
Like no other, i love you your my brother.
Like no other, i love you your my brother.

Like no other, i love you your my brother.
Like no other, i love you your my brother.
Like no other, i love you your my brother.

Water flowing and i will drink it,
I will drink for you.
A part of me left that only you knew,
Will never be understood, will never be understood.

Hey, gone to stay.
Entire lifetime flash before me,
In a loving stream.
Hey mother May, I have lost a child,
But she gave birth,
To a loving stream.

Ooh, never know. When the gods will come and
Take you,
To a loving stream.
Ooh, heart of gold,
The most special things you gave me were
From your loving stream.

In a loving stream.

Fuck the magazines,
Fuck the green machine,
See the human being,
In a loving stream.

Fuck the legal greed,
Fuck the nothing scene,
See the family,
In the loving stream.
