I saw your face
Elegant and tired
Cut up from the chase
Still, i so admire
Bloodshot your smile
Delicate and wild
Forgive me she was stoned
Rip right through me

Silveretta the jets of a lifetime
Go and get her,
I've got her on my mind
Nothing better,the feeling is so fine
Simply put,i saw your love stream flow

Come on, baby, 'cause there's no name for Give it up and i got what i came for Universally speaking
I take it back and you make me nervous Nothing better than love and service Universally speaking
I win in the long run

I saw your crime
Dying to get high
Two of a kind
Beats all hands tonight

Silveretta the jets of a lifetime
Go and get her,
I've got her on my mind
All the better,to make it so fine
Simply put, i saw your love stream flow

Come on, baby, 'cause there's no name for Give it up and i got what i came for Universally speaking
I take it back and you make me nervous Nothing better than love and service Universally speaking
I win in the long run

Silveretta the jets of a lifetime
Go and get her,
I've got her on my mind
Nothing better,the feeling is so fine
Simply put, i saw your love stream flow
Simply put, i saw your love stream flow
