Warlocks in Wonderland  
I've gotta megatropolis in my hand  
And a subterranean marching band  
Makin' noise for the boys in the Vatican  
And a

A little package and off we go  
Oh ticky ticky tackita tic tac toe  
I know everybody's Eskimo  
We've got another thing coming  
And that's our show well

Every night I go looking for you  
Every one in the world adores you  
A little pocket of something kind  
To find your reason

Coming up on it everyday for  
Look at me and it's what I stay for  
A little locket of fantasy  
That we believe in

Lilacs and contraband  
I've got Santa Monica in my hand  
A little Beatle mania when I can  
And I've got two big bags of old Japan

Ring side and blow by blow  
Another main event at the old rainbow  
We're comin' right on top of the tupelo  
When she looks just like Brigitte Bardot

Every night I go looking for you  
Every one in the world adores you  
A little pocket of something kind  
To find your reason

Coming up on it everyday for  
Look at me and it's what I stay for  
A little locket of fantasy  
That we believe in

Make a deal with Uncle Weezer  
Sign your name to claim  
China Chow will try to please her  
Sweetness come from Jane

Warlocks in Wonderland  
I've gotta Rockapotomus in my hand  
With a happy ending that's made of sand  
With a little bit of lovin' is all I can

Every night I go looking for you  
Every one in the world adores you  
A little pocket of something kind  
To find your reason

Coming up on it everyday for  
Look at me and it's what I stay for  
A little locket of fantasy  
That we believe in

Every night I go looking for you  
Every one in the world adores you  
A little pocket of something kind  
To find your reason

Coming up on it everyday for  
Look at me and it's what I stay for  
A little locket of fantasy  
That we believe in, oh
