My tendency  
For dependency  
Is offending me  
It's upending me  
I'm pretending see  
To be strong and free  
From my dependency  
It's warping me

So much love  
So rare to dare  
Afraid of  
Ever being there  
Take me home  
I need repair  
Take me please  
To anywhere

Descend all the way all the way

Descended from  
Demented men  
Struggle with  
The art of Zen  
Please don't look

Too close at me  
You might not like  
What you see

Descend all the way all the way  
Everyday  
Warped and scared  
Of being there  
Of being there

Night craving  
Sends me crawling  
Beg for mercy  
Does it show  
A vacancy  
That's full of holes

Hold me please  
I'm feeling cold

Descend all the way all the way  
Everyday  
Warped and scared  
Of being there  
Of being there
