The curtain
Is open
A head to
Put dope in
Now we will
Come clean it
The future
We've seen it
No, no, I know, I said, no, no

It's like a dream
That falls away
Into the night
Where we can play
I'm on a train
One happy day
Two eyes for sight
Three times I pray

Soda pop
We've got to set up shop
And when the weather comes
We've got a pressure drop
We don't know
But everyday I go
To see what I can bring
Into a cameo
Oh oh oh no

We believe
Climb a tree
For monkey business
Write a check out to forgiveness
All the world on half an acre
Pushing dirt into a Quaker

The mission
The method
The downfall
Arrested
'Cuz it's not
The first time

Nor is it
The worst time

No no oh no

To see the bird
Without a care
For in a word
It's nice out there
In a tree
My mama bear
Will be all right
With proper care

Hey hey hey do

Boomerang
Into a bigger bang
A little cry of love
Because they cannot sing
Cherokee
What did the pharaoh see
Another time and space
Another place to be

We believe
Climb a tree
For monkey business
Write a check out to forgiveness
All the world on half an acre
Pushing dirt into a Quaker

The motive
The measure
The purpose
The pleasure

The risk is
It worth it
The disc is
It perfect

I found you
Amongst them
The flower
With young stem

Disparage
The broken
The marriage
Alopin'
