(Ric Ocasek)

She shadows me in the mirror
She never leaves on the light
And some things that i say to her
They just don't seem to bite

It's all mixed up
It's all mixed up
It's all mixed up
It's all mixed up

She tricks me into thinking
That i can't believe my eyes
That i wait for her forever
But she never does arrive

It's all mixed up
It's all mixed up
It's all mixed up
It's all mixed up

She says to leave it to me (leave it to me)
And everything will be alright (be alright)
She says to leave it to me (leave it to me)
And everything will be alright (be alright)

She's always out making pictures
She's always out making scenes
She's always out the window
When it comes to making dreams

It's all mixed up
It's all mixed up
It's all mixed up
It's all mixed up
