Where have all the people gone in my life  
I'm looking at the ceiling  
With an awful feeling of loss  
And loneliness  
The after late night television pain  
I'm running out of strength

And it feels so wonderful  
To swim in our fear  
And it's unacceptable  
The awakening of life

Oh, uncle joe  
Could you tell me what you know?  
I've been having mental problems  
And the solution is unclear  
I'll give anything a try once  
I'll try anything three times  
I don't care

But there's no company  
That i can stand to be with me  
So my dependency on you grows  
And i am not very well read  
And did you say that i will lose my house  
And can you spare me of my pain  
And can you spare me of my tears

Oh, uncle joe

It was unintentional  
When i spit in your beer  
I am overinfluenced  
By movies

Let's all go to the pier tomorrow  
The darkest pool  
Did you know lies below the sky
