I feel so alive, can't sleep a wink now,
I can't focus my eyes on the tv screen,
I can't your voice out of my head,
I'm still getting high off of words that you said.

For once in my life,
Can I get too much of a good thing,
Stay on the upside of a mood swing,
For once in my life,
Can I win first prize, hit the jackpot,
Fall in love not a little, but a whole lot.
Feel grateful for something I've got,
For once in my life.

I'm trying to breathe like a normal person,
Like I truly believe I do deserve this.
Your sweet lips keep kissing on me,
I'm still getting chills from the words you speak.

For once in my life,
Can I get too much of a good thing,
Stay on the upside of a mood swing,
For once in my life,
Can I win first prize, hit the jackpot,
Fall in love not a little, but a whole lot,
Feel grateful for something I've got.

Seemed like this dream was just out of reach,
And my hope fades so fast.
Could it be true that this bud's about to bloom
And be beautiful at last?

For once in my life,
Can I get too much of a good thing,
Stay on the upside of a mood swing,
For once in my life,
Can I win first prize, hit the jackpot,
Fall in love not a little, but a whole lot.
For once in my life,
Can I get too much of a good thing,
Stay on the upside of a mood swing,
Can I win first prize, hit the jackpot,

Fall in love not a little, but a whole lot,
Feel grateful for something I've got,
For once, for once.
