I don't need a reason why
She can only work at night
I'm coming round a second time
Not picking up your vital signs

I don't need a vehement smile
Checking out another time
And coming down was half the crime
Not picking up your vital signs

Hanging out with Scheme Eugene
And blame the broken social scene
What you don't have you won't miss it when you're
gone

Hanging out with Scheme Eugene
And blame the broken social scene
What you don't have you won't miss it when you're
gone

I don't need a reason why
She can only work at night
I'm coming round a second time
Not picking up your vital signs

I don't need a vehement smile
Checking out another time
And coming down was half the crime
Not picking up your vital signs

Hanging out with Scheme Eugene
And blame the broken social scene
What you don't have you won't miss it when you're
gone

Hanging out with Scheme Eugene
And blame the broken social scene
What you don't have you won't miss it when you're
gone

Hope you change your mind
For the last time

I'm coming down on a big scheme
Hope you change your mind
For the last time
You know that coco aint my scene
(Repeat)

Hanging out with Scheme Eugene
And blame the broken social scene
What you don't have you won't miss it when you're
gone

Hanging out with Scheme Eugene
And blame the broken social scene
What you don't have you won't miss it when you're
gone
