Twenty-o-three
It is a matter how to see
There is plenty of freedom left?
Apparently!
Attracted by subtle words
Kill two birds with one stone
They release the chains but they keep them short
Subconsciously!
Have you lost your faith
Don't you believe in yourself
Don't you know why and what you stand for
We are the second generation, what is our role?
Are we talking of a revolution or a silent insurrection?
Or is it simply enough just to react
Let's raise, let's raise, Is it just a phase?
Are we a means to an end or a bearer of a past soul?
We are the second generation, what is our role?
Are we talking of a revolution or a silent insurrection?
Or is it simply enough just to react
How could it be that we are a means to an end or a
bearer of a past soul
We are the second generation, what is our role?
Have you lost your faith
Don't you believe in yourself
Don't you know why and what you stand for
Let's raise, let's raise, Is it just a phase?
There is enough plac
