a lovely stare
and i knew it didn't matter
walking next to you
as i want to be with you

a star-like kiss
and a look that will mean nothing
look into my eyes
these words that turn you on

i hope you starve for love
take it all
it doesn't matter
walk away rolling your eyes

i hope you starve for love
take it all
it doesn't matter
walk away rolling your eyes

it's two am
and you've already called four times
whisper i'm okay
it will only last so long

here's a line
it says my sweet i'm so sorry
now you're on your own
and i never let you go

i hope you starve for love
take it all
it doesn't matter
walk away rolling your eyes

i hope you starve for love
take it all
it doesn't matter
walk away rolling your eyes

your eyes

hold your breath and don't let go
holding on to everything i know

take it all
it doesn't matter

i hope you starve for love
take it all
it doesn't matter
walk away rolling your eyes
