Son of God come in, take away my sin.
Draw me closer, so I'm never away from You.
Take my life Oh God, let Your will be done.
When I walk this earth, I want to be like Your son.

Use me... Use me... so I'm never away from You.
Use me... Use me... so I'm never away from You.

Son of God come in, take away my sin.
Draw me closer, so I'm never away from You.
Take my life Oh God, let Your will be done.
When I walk this earth, I want to be like Your son.

Use me... Use me... so I'm never away from You.
Use me... Use me... so I'm never away from You.

Oh, oh... Oh, oh... Use me... Use me...

Lord I give my life to You
I won't turn back
Lord I give my life to You
I won't turn back
Lord I give my life to You
I won't turn back
Lord I give my life to You
I won't turn back!

Use me... Use me... so I'm never away from You.
Use me... Use me... so I'm never away from You.

Lord I give my life to You
I won't turn back
Lord I give my life to You
I won't turn back

Oh, oh... Oh, oh... Use me... Use me...
