You wonder why  
We can't survive  
We fight for our rights  
Tonight we'll try  
To get back at danger in the eyes  
Tonight

Fight for survive  
In the place where the monsters try  
To live from crazy knights  
Life line baby and a guy known world  
Cause, you've gotta fight for survive

She eyed no one  
Now she tries to have fun  
Tonight  
Dine on the floor  
With rich folk lots  
Answer me or face the fear  
And you'll need to fight for survive

Fight for survive  
In the place where the monsters try  
To live from crazy knights  
Life line baby and a guy known world  
Cause, you've gotta fight for survive

Try to form  
The structure of life  
You break it  
Then you come to poor Richard's broken (broken)  
Baby that makes you stricken make it  
Today we'll try to live  
I'll hunt the guns you fight the roses (roses)  
Maybe we're over minded  
That's okay I'm dumb and joken' (joken')  
Cause you otta' fight for survive.

Fight for survive  
In the place where the monsters try  
To live from crazy knights  
Life line baby and a guy known world

Cause, you've gotta fight for survive

Cause tonight we'll  
Fight for survive  
In the place where the monsters try  
To live from crazy knights  
Life line baby and a guy known world  
Cause, you've gotta fight for survive

Oh, we'll fight for survive.
