Fear seeps in like a flood  
Cannot float above  
Try to swim away  
Drowning

Say you will  
Say you'll come back  
And make this home again  
Say you will  
Say you'll come back for me

The show has only just begun  
The face at every turn  
And I am frightened of what's to come  
I know it's coming

Say you will  
Say you'll come back  
And make this home again  
Say you will  
Say you'll come back for me

We tell ourselves it's all we can do  
It's all we can do  
To help us live  
It's all we can do  
And I cannot take anymore

Hope  
At the needle's end  
Easy to let in  
And we won't suffer  
Say you'll come back

We tell ourselves it's all we can do  
It's all we can do  
To help us live  
It's all we can do  
And I cannot take anymor
