Fancy hotel rooms  
Window with a view  
Staring into nothing  
I thought I saw you

Your colors dancing in my mind  
But they were only neon signs  
Oh Canada, I'm trying to find you  
Will you wait for me?

There's people on the street  
I know I'll never meet  
I wonder what they're thinking  
What their dreams are  
But they just keep on walking by  
I can see the questions in their eyes

Oh Canada, you're a tree among towers  
Just starting to climb  
Please don't grow too quickly now  
Don't leave us all behind

Pages of progress start to turn  
Too quickly and the pages burn  
Let's hope that we don't learn, too late  
Let's hope it's never too late to learn  
No, don't let the madness wash you away

Life keeps rolling by  
Before it goes I'll try  
To be stronger, to be wiser  
Maybe just understand  
What makes people fight to survive  
While by themselves they softly sigh

Oh Canada, where are you going  
Will you wait for me?  
Oh Canada, I'm trying to find you  
(Canada)  
Will you wait for me?

Oh Canada, I'm trying to find you

(Canada)  
Will you wait for me?  
Oh Canada  
(Canada)  
Oh Canada
