You are the love of my life  
And you are the reason I'm alive  
And baby baby baby  
When I think of how you saved me  
I go crazy  
I've never known love like this  
And it fills me with a new tenderness  
And I know I know I know  
You're in my heart you're in my soul  
You're all I can't resist  
And I need to tell you  
The first time I held you  
I knew you are the love of my life  
I spent a lifetime waiting  
Always hesitating until you  
I was lost so deep inside my shell  
'Til you came and saved me from myself  
Now all I really know  
Is I need you  
And you are the love of my life  
All the joy and tears that I cry  
And baby baby baby  
You don't have to say a word  
I see it in your eyes  
As we stand together  
I promise forever  
'Til the day that I die  
You are the love of my life  
I spent a lifetime waiting  
Always hesitating until you  
I was lost so deep inside my shell  
'Til you came and saved me from myself  
Now all I really know  
Is I need you  
You are the love of my life  
You are the reason I'm alive
