Maggie was a buk and gain
Following the whooping game
Boolah riki hook and chain
Maggie's out of Maine

But oh she liked to tantalize
Make it feel like paradise
Oh nobody cries
When Maggie dies
Oh oh oh oh oh oh
Boom boom like a she she hen
Taking to the whooping game
Maggie didn't stay no chains
But oh she loved to tantilize
And make it feel like paradise
But oh nobody cries
When Maggie dies
Oh oh oh oh oh oh
Boom boom boom
Boom poor Maggie
Boom boom boom
Boom poor Maggie
Boom boom boom
Boom poor Maggie
Poor Maggie
