Crack the sky
Enter the dream that we are...
All within
The non-existence of time

Creep inside
The riches belong in the kingdom
That's within
Your one and only!

CRACK THE SKY!
CRACK THE SKY!
CRACK THE SKY!
CRACK THE SKY!

Listen to
The sound that you can't hear
That are within
The spaces inside your mind

Step inside
Touch what you can't feel
That is within
Your one and only!

CRACK THE SKY!
CREEP INSIDE!
CRACK THE SKY!
STEP INSIDE!
YOUR ONE AND ONLY!!!
