(Chorus)

My baby say she reppin me  
I'm who you ride for whenever it's time to let your pride  
show  
The one you'd trade ya life for  
My baby say she reppin me  
You know like I know this love will blind you like you had  
your eyes closed  
Say no to that blind fold  
My baby say she reppin me and you so what you go to  
prove cus girl I love the way you shake it for me  
My baby say she reppin me and you so what you gonna  
do cus bae the only one I need on my team

And she aint stopping for nobody so forget that referee
