[Intro: Redman]

Get it!

Haha, Funk Doc in the building, bitch

Ya'll already know the business, nigga, haha

[Redman]

Yo, let's get it, yeah, I'm with it

Streets on fire, I'm frying my dinner

Quick like Sugar Ray Leonard, one love

Any boy get served like tennis

Menace, you call a rap bulldog

Me and my pen form into Voltron

Cold, my heart built with a snowball

And I fuck old women like Zohan

Roll on like Michem, Barry Bonds this bitch

When the beat start pitching

I'm broke, my ATM ain't kicking

But what I drive, I build expensive

Look at me, nigga, I got it

In pocket, ask Houston how I 'rock-it'

If I go hungry, you getting robbed

By me, Biggie Smalls and The Delfonics

[Interlude: Raekwon]

Yo, man, yeah, yeah, take it back to Rae shit

Straight off the muthafucking concrete, nigga

You know how I go, word up, let's go

{Three minutes left..}

[Raekwon]

Before all the cussing and the gunfights

Don't wanna run Nikes, yeah, scramble when it sunlight

G's in my pocket of juice, blue goose

I'm a goon under the moon, glow on the boosters

Yeah, deadily my sons regret me

Windpipe writing, the mic fighting, respect me

I'm from where it get down, machete your mother

Snatch your brother, scrap you down

You know the deal, when we do this, chill

Catch me in Brazil, ratchet on, little glass of Tequil'  
I sware to the real, my real, if I don't win  
Then I won't spend, I'm grabbing bill  
That's the hammer, I'mma do this, nana  
Niggas who hunt, snatch 'em up, bite the clip, the  
banana  
And this is for them good niggas, blow that L  
And that blow that well, and watch the book, niggas

[Interlude: Raekwon (Method Man)]

Yeah, watch them jooks, niggas, you know what it be,  
man  
Word up, niggas staying alive (Gotta kill these voices in  
my head)  
{Two minutes left} Bunch of fucking roaches, man

[Method Man]

Jeter, married to the game without a pre-nub  
And she don't act up, if I don't eat her  
Damn, now that's what I call a diva  
You sick, man? I'm what you call a fever  
And I don't put no snow up in my cheeba  
Pack a little heater, the game get colder in the freezer  
Hit your little corner with the sweeper  
Dance with the reaper, sharper than a fuck  
Plus I'm laying in the cut like a half-moon Caeser  
What you getting is the truth  
My bird eye visions spot the pigeon in the coup  
Same way I live it, how I spit it in the booth  
Next to RZA, ain't no nigga bigger than the group  
Stat, fuck that, we come strapped  
Bust gats, drug raps, and pump cracks  
What you trying do nigga, we done done that  
I'm off the gunrack, nigga put ya gun back

[Interlude: Method Man (Ghostface Killah)]

Yeah, you slow your blow, boy  
You gon' lay where you lie, nigga  
(Get rid of the crack, and flush that dust  
Hurry, where the L, move, come on, freeze, freeze)  
{One minute left}

[Ghostface Killah]

Aiyo, I woke up in handcuffs, heard the police wanted  
me dead  
Big bullets and splashing all over  
Kingpin's still moving that weight  
And his main goon burned up a discotech  
He's a hazard, classic, nigga, we got a flick of him  
He jacked Nate, while he took the picture  
And we tapped his crib, bugs all in the jacuzzi

Under the seeds bed, we found an uzi  
Trully, and we know about his bitch in Charlotte  
Pulled her over, State Troopers found two revolvers  
And she told us them handguns "That's my fathers  
And I'm licensed to carry those shits regardless  
Ya'll just played my man, caught her with a million  
dollars  
Worth of fireworks, coming back from Japan  
It's nothing, ya'll police be fronting  
And stop looking at my pussy, like ya'll want to suck it,  
I'm out  
On ya'll pussies, catch me next time, bye bye"

[Outro]

Alright, fellas stand back and watch the closing doors  
Lock 'em up! Let's go, lights out
