I wake up every evening, with a big smile on my face  
And it never feels out of place

And your still probably working at a 9 to 5 pace  
I wonder how bad that tastes

When you see my face  
Hope it gives you hell  
Hope it gives you hell  
When you walk my way  
Hope it gives you hell  
Hope it gives you hell

Now wheres you picket fence love  
And wheres that shiny car,  
And did it ever get you far

You've never seem so tense love  
I've never seen you fall so hard,  
Do you know where you are

And truth be told I miss you  
And truth be told I'm lying

When you see my face  
Hope it gives you hell  
Hope it gives you hell  
When you walk my way  
Hope it gives you hell  
Hope it gives you hell  
If you find a girl that's worth a damn and treats you  
well  
Then she's a fool, your just as well, hope it gives you  
hell

Hope it gives you hell

Tomorrow you'll be thinking to yourself  
Where'd it all go wrong, the list goes on and on

And truth be told I miss you  
And truth be told I'm lying

When you see my face  
Hope it gives you hell  
Hope it gives you hell  
When you walk my way  
Hope it gives you hell  
Hope it gives you hell  
If you find a girl that's worth a damn and treats you  
well  
Then she's a fool, your just as well, hope it gives you  
hell

Now you'll never see, what you've done to me  
You can take back your memories they're no good to  
me  
And here's all your lies,  
You can look me in my eyes  
With that sad sad look that you wear so well

When you see my face  
Hope it gives you hell  
Hope it gives you hell  
When you walk my way  
Hope it gives you hell  
Hope it gives you hell  
If you find a girl that's worth a damn and treats you  
well  
Then she's a fool, your just as well, hope it gives you  
hell

When you see my face  
Hope it gives you hell  
Hope it gives you hell  
When you walk my way  
Hope it gives you hell  
Hope it gives you hell  
When you hear this song and sing along oh you'll never  
tell  
Then you're the fool, I'm just as well  
Hope it gives you hell  
When you hear this song I hope that it will give you hell  
You can sing along I hope that it will treat you well
