La La La La La La La
La La La La La La La

There's a little creepy house
In a little creepy place.
Little creepy town
In a little creepy world.
Little creepy girl with
Her little creepy face,
Saying funny things that you've never heard.

Do you know what it's all about?
Are you brave enough to figure out?
Know that you could set your world on fire,
If you're strong enough to leave your doubts.

Feel it, breathe it, believe it and
You'll be walking on air.
Go try, go fly so high and
You'll be walking on air.
You feel this, unless you kill it
Go on and you're forgiven.
I knew, that I could feel that
I feel like I'm walking on air.

She has a little creepy cat
And little creepy bat.
Little rocking chair
And an old blue hat.
That little creepy girl
Oh, she loves to sing,
She has a little gift
And amazing thing.
With her little funny eyes of hazel,
With her little funny old blue hat.
She will go and set the world on fire
No one ever thought she could do that.

Feel it, breathe it, believe it and
You'll be walking on air.
Go try, go fly so high and
You'll be walking on air.

You feel this, unless you kill it
Go on and you're forgiven.
I knew, that I could feel that
I feel like I'm walking on air.

Flitter up
And hover down.
Be all around,
Be all around.

You know that I love you.
Go on,

Feel it, breathe it, believe it and
You'll be walking on air.
Go try, go fly so high and
You'll be walking on air.
You feel this, unless you kill it
Go on and you're forgiven.
I knew, that I could feel that
I feel like I'm walking on air.

I am walking on air
I am walking on air
Yeah
