I call 'em like I see 'em / I been known for
daydreaming / but nowadays stay
working as long as I stay breathing / 'Cos ain't no
meaning in hanging
around complaining now / Gotta make mad moves /
life's too short for bad
moves / I wake up in the morning in a state of yawning /
Then a voice in my
head be telling me to stop stalling / Boring's a word
unknown to my vocab /
Never let a day go past without doing something to get
my flow fat / So
here's a little something for your boasting ass / You
can debate on this and
analyze it while you smoke grass / My broke ass gone
be doing it / sticking
around like glue and shit / Even if you blew up my
castle you couldn't ruin
it / Proving it's hard work that a make my world turn /
it's my turn /
eternally verbally hurting MCs / You heard I be cutting 'em
'em beats like
surgery / Most certainly can say that bullshit never was
concerning me /
Word a be bond

Raindrops on my window okay
Seems I'm a stay indoors all day
All alone with these thoughts a mine
It crossed my mind
The right path I'm forced to find
Raindrops on my window okay
Seems I'm a blaze indoor all day
All alone with these thoughts a mine
It crossed my mind
I'm a find my path in time

I spit for the cause / forget glitter and gloss / I got a
message that I'm
trying to deliver across / In life I dribble the ball with
very little pause

/ Of course I sometimes got lost like off course / Walk
with my head up
ain't about to crawl for none of y'all / especially
them fakes and frauds /
My crib's small / I'm poor / I sleep on a loft / but it's
all good my art
form a stay pure / My boat's out in a storm / Y'all
can hear the sky roar /
I'm coming at you with the folklore / Headed for the
seashore strapped with
C4 / I'm a perform kamikaze on Nazis , no remorse /
Don't get me wrong /
violence is something I don't endorse / To stop the
silence is what I
enforce / but it has to be more than a verbal war so I
ain't singing no
song, I'm slinging my sword.

Raindrops on my window okay
Seems I'm a stay indoors all day
All alone with these thoughts a mine
It crossed my mind
The right path I'm forced to find
Raindrops on my window okay
Seems I'm a blaze indoor all day
All alone with these thoughts a mine
It crossed my mind
I'm a find my path in time

I wanna be happy being me so don't stress me / Love
and family sound like
success to me / It's a working recipe for a lifelong
dinner / The rest a be
just bogus so stay focused / my rope is getting
shortened much too often /
Mentally feeling like being buried alive in a coffin / But
I'm enduring it
day by day stand strong / think my fire a fade away?
You mad wrong / I'm
time traveling, unraveling minds / Battle with rhymes,
javelin guys who
acting like mine sounds like the average / I mean I got
it on lock / rocking
your spot whether you cop it or not / It's Dot in case
you forgot / Now we
gonna take them props while you fake a lot / We gonna
make it hot, then we
blaze it up / You better hold on / my letters is bond /
Thought you were
fly, but when your feathers is gone / it's over, you'll
forever fall like
