This is what it sound (what it sound?)  
What it sound like?  
When shit a get ugly the whole club get trashed  
This is what it sound (sound like)  
What it sound like?  
Don't care if they hate me keep spreading that love  
This is what it sound (what it sound?)  
What it sound like?  
THIS IS WHAT IT SOUNDS LIKE

When you not on the guest list and came in the back  
door / Had already too  
much to drink, but at the bar back for more / This what  
it sound like when  
you don't care if they crack your jaw/ Sounds like  
when you bounce like no  
tomorrow / (This what it sounds like when I'm singing  
my song) / You got an  
underage little brother ready to wild-out? Bring him  
along / This what it  
gonna / sound like when all a that blinging is gone now  
/ THIS IS WHAT IT  
SOUNDS LIKE / When you them real people / Ain't  
stopping until we equal /  
Giving you something you feel people / (On the real  
people!!) / I'm one a  
them "never got money to pay my bills" people / Got  
trouble / whole lotta  
struggle/ but one day we'll be cool / The sound a what  
the fuck is really  
going on / The sound of broken homes / the sound  
saying it's time to grow  
strong / I wrote poems / needed a beat to flow upon/  
and this is what it  
sounds like...

This is what it sound (sound like)

Inna cipher / when we taking it higher / Giving props to  
all a my Helsinki  
writers / Light your lighter / if you feeling that fire,  
desire / for real  
HIP HOP music, starting a riot / Sick and tired / 'cos  
they try to / destroy  
my earth / Want to replace my reality with some cyber /  
This what it sounds  
like when they time expire / THIS IS WHAT IT SOUNDS  
LIKE / The sound of love  
for my family / Sound a life moving rapidly / The sound  
that you hearing is  
love, you need to give it back to me / Fuck flattery / diss  
me, I still be  
rapping fanatically / The sound that a be known to defy  
the laws of gravity  
/ Lot a these cats a be / bragging they want to battle me  
/ Gladly / but  
don't you think you rather be / jumping of your  
balcony / The world's wide  
open so why you looking at it narrowly...
