Such Current Of Electricity Shall Continue To Pass  
Through Your Body until You Are Dead

Leeches jump off rotten fur  
And tend to bang all down  
New-born grown-up clean men  
Goddamn all the same  
098... hi,i'm your slave  
I'd burn my money down  
But time has come to solve some shit  
In an electrifying way  
Alright  
Ok  
Cash will buy all honesty  
And cash will make you grin  
When everything is wasted now  
You believe in waste  
No one can accuse you in lack of fuckin' taste  
But i have bought some gasoline to burn some shit  
away

Aaarrggghhh  
"...Such current of electricity shall  
Continue to pass through your body  
Until you are dead..."

Burning,boiling,baking,frying  
Smelling,sizzling,stinking,choking
