All around the country coast to coast,
People always say what do you like most,
I don't wanna brag I don't wanna boast,
I always tell 'em I like toast.

Yeah TOAST yeah TOAST

I get up in the mornin' bout six AM,
Have a little jelly have a little jam,
Take a piece of bread put it in the slot,
Push down the lever and the wires gets hot,
I get toast.

Yeah TOAST yeah TOAST

I'm sitting in the class room adding up the sums
Think' bout toast thikin' yum yum yum
And when the bell rings you grab you're back pack
And make some toast for an afternoon snack
Yeah TOAST yeah TOAST

Now there's no secret to toasting perfection,
There's a dial on the side and you make your selection,
Push to the dark or the light and then,
If it pops too soon press down again,
Make toast.

Yeah TOAST yeah TOAST

When the first caveman drove in from the drags,
Didn't know what would go with the bacon and the
eggs,
Must have been a genius got it in his head,
Plug the toaster in the wall,
Buy a bag of bread,
Make toast.

Yeah TOAST yeah TOAST

Oui monsieur bonjour coquette,
Uh huh croissante, et vous Yvette?
Maurice chevalier effeil tower,

Oui marie baggette bon soir.
