Cause everybody said
You're too much of a fight for me
The little voices in my head
Lights the fire in the hearts of me
So come play your dirty ga-eh-ame
We'll see whose gonna win me round
The little voices in my head
Every pukers gonna drag us down

Girl you're making me a maniac for sure
You got me going crazy at your door
You're making me afraid of what I'll do
You reckon it, I bet you feel it too
But I don't wanna wait

Woo

Yeah, and I don't wanna wait
It's clear you'll never let him go
And every pukers gonna take
The opportunity to tell me so-o

Girl you're making me a maniac for sure
You got me going crazy at your door
You're making me afraid of what I'll do
You reckon it, I'll bet you feel it too

But I don't wanna wait
And I don't wanna wait
No, I don't wanna wait
Yeah, I don't wanna wait
No, I don't wanna...

Woah, woah

Girl, you're making me a maniac for sure
You got me going crazy at your door
You're making me afraid of what I'll do
You reckon it, I'll bet you feel it too

I don't wanna wait
And I don't wanna wait

Yeah I don't wanna wait
And I don't wanna wait
No I don't wanna wait

Yeeha
