You have no need to worry
I won't have you removed
Though our love may get blurry
I'll be loyal to you
Whatever you want, you wish
Our enemies sleep with the fish
And you have no need to labor
I won't sever from you
In your debt here's a favor
All my days just for you
I know what you'd do
You said
And I'd find a horse in my bed
Or just the head
Just hold me close
Tell me you love me
But please don't ask me what I do
Being with me
It isn't easy
They'll try and turn me against you
But it won't do
If I can survive
Then I will make you mine
An offer she cannot refuse
No sign of gunpoint
This time legitimate
