Sorry, I didn't mean to hurt you
But I'm glad I did

Tried to think, but thoughts ate each other...

...and I know, you can't say I love everyone
Equally

It's up to me , but what can I do
If the clown in me is the killer in you
Cause nothing compares
To the joy I feel
When we sit and share
Our beliefs

my eyes in your eyes
your mind in my mind
divisions unite
sometimes

Cause nothing compares
To the joy I feel
When we sit and share
Our beliefs

and nothing prevails
as the warm that fills me
when we unite
under rainbows of hope
