Home is where i find my opinions
A fearless and awake beginning
Fearless and awake sad and crashing
Home is where I dream of laughing again

Though our name may change lovely brother
You will find me here where my records are
Think of us in time greedy lover
lover lay with me

I don't know what's right, what's been missing
Home is where I'm free of thinking
Free to recognize my territory
Home is where I dream of glory

Though our face may change lovely brother
You will find me here where my records are
Would you lay with me greedy lover
lover lay with me...in this new home

can't change my lovely brother...

May i dance with you nasty mother
Fearless and awake like a lover
Fearless and awake free and crashing
Please don't lock the door, we're laughing again!
