Â...Â"call me NateÂ...weÂ've all been checked for  
fame and pain,  
completely mad, distracted by your faceÂ...babe,  
babeÂ"Â...

sconfitto si ma, per niente arreso qui  
confuso si ma, non incompreso qui

babeÂ...babe

in the yard with my band I am practicing again  
roaring days in our fate donÂ't distract me with your  
face

Sconfitto si ma, per niente arreso qui  
Distratto si ma, non inatteso qui

BabeÂ...babe

In the yard with my band I am practicing again  
Gotta leave with my fears CanÂ't you see IÂ'm nothing?
