So just how far down do you want to go
And we could talk it out over a cup of joe
And you could look deep into my eyes
Like I was a super-model
Uh-huh

Well, it's you and me baby no one else we can trust
We'll say nothin' to no one no how or we bust
And never crack a smile
Or flinch or cry for nobody
Uh-uh

Chorus:

Well give your I'd card to the border guard
Yeah, your alias says you're Captain Jean-Luc Picard
Of the United Federation of Planets
'Cause he won't speak English anyway

Everybody knows
That the world is full of stupid people
So meet me at the mission at midnight
We'll divvy up there

Everybody knows
That the world is full of stupid people
Well I got the pistol so I'll keep the Pesos
Yeah and that seems fair

So put the sugar in the tank of the sheriff's car
And slash the deputy's tires and they won't get very far
When they finally get the word
That there's been a hold-up uh-huh

Chorus

Solo

Chorus

2nd Solo
(outro)
